INTERIM ORDINARY CASH DIVIDEND DECLARATION AND SHARE REPURCHASES

Share repurchases

The Group will implement share repurchases (share buyback), subject to favourable market conditions, in the period commencing 20 August 2024 and, unless revised or terminated earlier, ending 31 December 2024. The aggregate purchase price of shares repurchased during this period will be no greater than R160 million.

The repurchase of Thungela shares will take place on the Johannesburg Stock Exchange ("JSE") through the order book operated by the JSE trading system and is being undertaken pursuant to the general authority from Thungela shareholders by way of a shareholders' special resolution passed at the Company's annual general meeting on 4 June 2024, allowing the Group to repurchase up to 10% of the issued share capital of the Company in any one financial year, subject to certain limitations ("Authority"). The repurchases will be made by Thungela Operations Proprietary Limited (a subsidiary of the Group).

Pursuant to the JSE Listings Requirements, the maximum price which may be paid for any repurchase under the Authority may not exceed a price which is 10% above the volume weighted average trading price of the shares on the JSE for the five business days immediately preceding the date of such repurchase.

In compliance with paragraph 11.27 of the JSE Listings Requirements, the Group will announce when share repurchases cumulatively reach 3% of the number of shares in issue as at the date of the Authority, and any 3% increments thereafter.

No transfers of shareholdings to and from the South African or United Kingdom (UK) register will be permitted between Tuesday, 17 September 2024 and Friday, 20 September 2024 (both dates inclusive). Share certificates may not be dematerialised or rematerialised between Wednesday, 18 September 2024 and Friday, 20 September 2024 (both dates inclusive).

The salient dates have been set as above in order to allow non-South African resident shareholders sufficient time to apply for a reduced rate of dividend withholding tax in the event that they may qualify for this.

The dividend is payable in South African rand to shareholders recorded as such on the register on the record date and whose shares are held through Central Securities Participants and brokers traded on the JSE.

Shareholders on the UK register of members will be paid in pound sterling. The pound sterling cash equivalent will be calculated using the following exchange rate: GBP1:ZAR23.26486, being the five-day (business days) average GBP:ZAR exchange rate (as quoted by Bloomberg) up to Thursday, 15 August 2024.

Shareholders are encouraged to ensure that their bank mandates or international payment instructions have been recorded by their service provider or registrars before the last day to trade for this dividend. Electronic payments ensure more efficient and timely payment. It should be noted that cheques are no longer permitted to be issued or processed by South African banks; in the UK, registrars will still issue and post cheques in the absence of specific mandates or payment instructions.

Tax treatment for shareholders on the South African register

The dividend will have no tax consequences for Thungela but will be subject to 20% withholding tax for shareholders who are not exempt from dividends tax, or who do not qualify for a reduced rate of withholding tax in terms of any applicable agreement for the avoidance of double taxation (DTA) concluded between South Africa and the country of residence of the shareholder.

Should dividend withholding tax be withheld at a rate of 20%, the net dividend amount due to shareholders is 160.00 cents per share (South African rand) – 200.00 cents gross dividend per share less 40.00 cents dividend withholding tax per share.

Tax treatment for shareholders on the UK register

Thungela has retained Computershare UK as intermediary to receive and process the relevant prescribed declarations and forms as set out below. Any reference below to documentation which is required to be submitted to Thungela, should therefore be submitted to Computershare UK.

Non-South African tax resident shareholders will be paid the dividend subject to 20% withholding tax for shareholders. Certain non-South African tax resident shareholders may, however, be entitled to a reduced rate of dividends tax due to the provisions of an applicable tax treaty.

Shareholders who qualify for an exemption from dividends tax in terms of section 64F of the South African Income Tax Act 58 of 1962 must provide:

- A declaration that the dividend is exempt from dividends tax.
- A written undertaking to inform the regulated intermediary should the circumstances

affecting the exemption change or the beneficial owner cease to be the beneficial owner, both in the form prescribed by the Commissioner for the South African Revenue Service to the regulated intermediary prior to the required date in order to benefit from the exemption. The prescribed form has been transposed onto the Computershare UK format.

Shareholders on the UK register will be sent the required documentation for completion and return to Computershare UK. Qualifying shareholders on the UK register are advised to arrange for the above mentioned documents to be submitted to Computershare UK by Friday, 20 September 2024.

Should dividend withholding tax be withheld at a rate of 20%, the net dividend amount due to shareholders is 6.88 pence per share (pound sterling) – 8.60 pence gross dividend per share less 1.72 pence dividend withholding tax per share.
