The salient dates have been set as above in order to allow non-South African resident shareholders sufficient time to apply for a reduced rate of dividend withholding tax in the event that they may qualify for this.

The dividend is payable in South African Rand to shareholders recorded as such on the register on the record date and whose shares are held through Central Securities Participants and brokers traded on the JSE.

Shareholders on the United Kingdom register of members will be paid in Pound sterling. The Pound sterling cash equivalent will be calculated using the following exchange rate: GBP1: ZAR19.66602, being the 5-day average GBP:ZAR exchange rate (Bloomberg) on Friday, 18 March 2022 at 12:00pm GMT.

**Tax treatment for shareholders on the South African register**

The dividend will have no tax consequences for the Company but will be subject to 20% withholding tax for shareholders who are not exempt from dividends tax, or who do not qualify for a reduced rate of withholding tax in terms of any applicable agreement for the avoidance of double taxation ("DTA") concluded between South Africa and the country of residence of the shareholder.

Should dividend withholding tax be withheld at a rate of 20%, the net dividend amount due to shareholders is 1440.00000 cents per share (South African Rand) - 1800.00000 cents gross dividend per share less 360.00000 cents dividend withholding tax per share.

**Tax treatment for shareholders on the UK register**

The Company has retained Computershare UK as intermediary to receive and process the relevant prescribed declarations and forms as set out below. Any reference below to documentation which is required to be submitted to the Company, should therefore be submitted to Computershare UK.

Non-South African tax resident shareholders will be paid the dividend subject to 20% withholding tax for shareholders. Certain non-South African tax resident shareholders may however be entitled to a reduced rate of dividends tax due to the provisions of an applicable tax

treaty. In the case of UK-resident shareholders, for example, the DTA allows for (i) a reduced rate of 5% if the shareholder is a company that holds at least 10% of the capital of Thungela, and (ii) a reduced rate of 10% in all other cases.

Shareholders who qualify for an exemption from dividends tax in terms of section 64F of the South African Income Tax Act, 58 of 1962 must provide:

- a) a declaration that the dividend is exempt from dividends tax; and
- b) a written undertaking to inform the regulated intermediary should the circumstances affecting

the exemption change or the beneficial owner cease to be the beneficial owner, both in the form

prescribed by the Commissioner for the South African Revenue Service to the regulated intermediary prior to the required date in order to benefit from the exemption. The prescribed

form has been transposed onto the Computershare UK format.

Shareholders on the UK register will be sent the required documentation for completion and return to Computershare UK. Qualifying shareholders on the UK register are advised to arrange

for the abovementioned documents to be submitted to Computershare UK by Friday, 6 May 2022.

Should dividend withholding tax be withheld at a rate of 20%, the net dividend amount due to

shareholders is 73.22275 pence per share (Pound sterling) (91.52843 pence gross dividend per

share less 18.30568 pence dividend withholding tax per share).

By order of the Board.
